**2025 PHILMONT TREK OPENING**

Troop 40 Northampton has openings for 4 more male Scouts for their Philmont Trek. The entire trip is expected to be July 15-24, 2025. This includes 2 days spent touring New Mexico prior to Philmont (needed to acclimate to the elevation). This tour will include the Sandria Tram, Atomic Museum, Indian Cliff Dwellings, and whitewater rafting on the Rio Grande. The cost for the 2025 trip is expected to be \$3000 per participant and includes all activities, meals, and airfare. This is an estimate and may change primarily due to cost differences between now and when booking flights.

Scouts must be under 21 and over 14 (or 13 years old and completed the 8th grade) by July 2025, and have completed First Class Rank. Strict height and weight requirements are necessary to attend, found at:

<https://www.philmontscoutranch.org/philmonttreks/trekrequirements/healthmedicalrequirements/> As part of check-in all crew members will meet with Philmont physicians. Participants not meeting the requirements will not be permitted on the trail.

## Join 2024 Camp Minsi Camp Staff CREATE A LIFETIME OF MEMORIES AND EARN A SALARY

Working on camp staff opens to each staff member a whole new world of adventure and opportunities. In addition to spending a summer in the great outdoors, staff members will:

- Learn how to lead others and to apply leadership skills.
- Be part of an effective team and cooperate with others to get things done.
- Acquire experiential education (learning by doing) and new skills while working with young people ages 6-17.
- Make lots of friends and memories that will last a lifetime.

Our staff is not just a group of counselors having fun, but rather a family of 60 individuals

dedicated to providing an outstanding experience to each and every one of our campers. Each of our counselors and support staff members receives extensive training in their roles in camp, as well as specific knowledge in customer service, emergency procedures, and youth protection. We look for only the best staff members that possess the following qualifications:

- Be at least 15 years old.
- A positive attitude and a strong work ethic.
- A desire to make a lasting impact on the life of a Scout.
- A willingness to live by the Scout Oath & Law.

## MINSI TRAILS COUNCIL HISTORICAL TRAILS

The Minsi Trails Council activities committee is pleased to announce the refresh of the MTC Historic Trails program. First launched in 1969, and updated in the 1990's, these 10 hikes offer an excellent opportunity for Scouts to learn about our region's history. Each hike offers a glimpse into the past of how the area started - from pre-colonial rural areas to urban centers of industry, and transportation networks to entertainment sites. Each hiking booklet has been updated to include new photographs and updated routes to ensure safe hiking conditions. You will find they now also include additional online resources of some of the sites you'll visit. You may access these new hiking pamphlets at <https://www.minsitrails.org/historictrails>. Both online and print friendly versions are available. The hiking booklets may also be reached from the main website under the "council" section.

For each hike completed, Scouts can earn a rocker, and after completing 5 hikes they are eligible to wear the medal. The patches and medal are both available today at the Minsi Trails Council Scout Shop. Should you have any questions, please feel free to contact the committee at [historictrails@minsitrails.org](mailto:historictrails@minsitrails.org). Happy hiking!

## 2026 NATIONAL JAMBOREE

The next National Jamboree will take place from July 22-31, 2026 at the Summit Bechtel Reserve in West Virginia. The theme for the 2026 National Jamboree is "Elevate." This theme is focused on preparing Scouts for a life of purpose and impact as they participate in the once-in-a-lifetime experience of the Jamboree.

Registration for the Jamboree will open in the Fall of 2024 and we expect the cost to be similar to that of our most recent trip in 2023 and will include the Jamboree registration, bus transportation, t-shirts, patches, duffel bag and day pack. You can expect that the total cost for this trip to be in the \$1800-\$2100 range. We also expect that Jamboree camperships will be available.

We are hoping to send multiple units from Minsi Trails Council to the Jamboree in 2026! Please use this form to let us know your interest - both scouts and adult leaders that wish to participate. We are not looking for a deposit and submitting this form does not obligate you in any way. By registering now you will be the first to know as we hear more about this great scouting opportunity!!

## INCIDENT REPORTING

# INCIDENT REPORTING

Timely and complete incident reporting provides the BSA with an opportunity for analysis of incidents that occur and promotes continuous improvement of our programs. The sooner a clear, concise and complete incident report is made, the sooner an appropriate response to the incident can occur.

It's essential to include all the information you can in your incident report, including providing a detailed incident description, filling out all the forms in their entirety and providing additional attachments — such as photos of the incident, the unit's participating roster, release and waiver forms, witness statements, etc. — when required.
